**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act to protect pets in the Commonwealth.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 136A of chapter 140 of the General Laws, as appearing in the 2016
2 Official Edition, is hereby amended by inserting after the definition of "Attack" the following
3 definition:-

4 "Cattery", a pack or collection of cats on a single premises, including a commercial
5 boarding or training cattery, a commercial breeder cattery, a domestic charitable corporation
6 cattery, a personal cattery and a veterinary cattery.

7 SECTION 2. Said chapter 140 is hereby further amended by striking out section 137C, as
8 so appearing, and inserting in place thereof the following section:-

9 Section 137C. (a) The mayor of a city, the selectmen of a town, the police commissioner
10 in the city of Boston, a chief of police or an animal control officer shall inspect a kennel or
11 cattery or cause the inspection of a kennel or cattery at least 1 time per year. If a person holding a
12 license or applying for a license to operate a kennel or cattery refuses to allow an inspector to

13 enter and inspect a kennel or cattery, the refusal shall be grounds for denial, suspension or
14 revocation of a person's license to operate a kennel or cattery.

15 Twenty-five citizens of a city or town may file a petition with the mayor of a city, the
16 selectmen of a town or the police commissioner in the city of Boston, as the case may be, stating
17 that they are aggrieved or annoyed to an unreasonable extent that constitutes a nuisance by a dog
18 or cat maintained in the city or town due to excessive barking or other conditions connected with
19 a kennel or cattery. The mayor, selectmen or police commissioner, as the case may be, shall, not
20 more than 7 days after the filing of the petition, give notice to all interested parties of a public
21 hearing. The hearing shall be held not more than 14 days after the date of the notice. The mayor,
22 selectmen or police commissioner shall, not more than 7 days after the public hearing,
23 investigate or cause to be investigated the subject matter of the petition and shall, by order: (i)
24 suspend the kennel or cattery license; (ii) revoke the kennel or cattery license; (iii) further
25 regulate the kennel or cattery; or (iv) dismiss the petition.

26 (b) The inspection of a kennel or cattery to enforce the rules and regulations promulgated
27 under section 174G may be done by the commissioner or an authorized inspector and shall take
28 place between the hours of 7:00 a.m. and 7:00 p.m. unless an alternate time is mutually agreed
29 upon by the inspector and the operator. The operator or an authorized agent of the operator shall
30 be present during the inspection and the operator shall be given a reasonable notice prior to the
31 inspection; provided, however, that the commissioner or other authorized inspector may
32 determine that it is not appropriate to provide advance notice to the operator before arriving at
33 the facility if necessary to adequately perform the inspection. If a kennel or cattery regulated
34 under said section 174G is located at a private residence, only the areas of the residence that are
35 used for kennel or cattery purposes or for the maintenance of kennel or cattery records shall be

36 required to be available for inspection. If in the judgment of the commissioner or an authorized
37 inspector a kennel or cattery is not being maintained in a sanitary and humane manner or if
38 records have not been properly kept as required by law and in compliance with said section G,
39 the commissioner or authorized inspector shall, by order, suspend the license for the kennel or
40 cattery depending on the severity of the offense or issue to the operator a written citation or
41 notice which explains the noncompliant issue and requires the operator to come into compliance
42 within a reasonable, specified timeframe. If the operator fails to come into compliance within the
43 time period specified by the commissioner or authorized inspector, the commissioner or
44 authorized inspector shall, by order, revoke the license for the kennel or cattery.

45 (c) A written notice under subsection (a) or (b) of an order revoking or suspending the
46 license, further regulating the kennel or cattery or dismissing the petition shall be mailed
47 immediately to the licensee and to the officer that issued the license. Not more than 10 days after
48 the written notice of the order, the licensee may file a petition in the district court in the judicial
49 district in which the kennel or cattery is maintained seeking review of the order. The decision of
50 the court shall be final and conclusive upon the parties. A person maintaining a kennel or cattery
51 after the license to maintain a kennel or cattery has been revoked or suspended shall be punished
52 by a fine of not more than \$250 for a first offense, by a fine of not less than \$500 for a second
53 offense and by a fine of not more than \$1,500 for a third or subsequent offense.
